Heritage

Wool Classics is a boutique family business owned and run by the Brinton family who have been weaving carpet continuously since 1783. Our heritage lies in the finest quality by selecting the purest raw materials honouring our legacy of supplying some of the finest interiors in the world. Today all aspects of the process use organic materials without the use of nasty chemicals ensuring a fully biodegradable product.

Origins

Cumbria is a loop pile tufted carpet made from 100% pure wool, designed to bring warmth and comfort to any interior. Being tufted it is not as durable as our long life Wiltons, but the budget is also much more affordable and this is an ideal solution where budgets are tight or value engineering is called for. Being pure wool it keeps its looks well and offers softness and protection to an otherwise hard surface.

Technical Specification
