Heritage

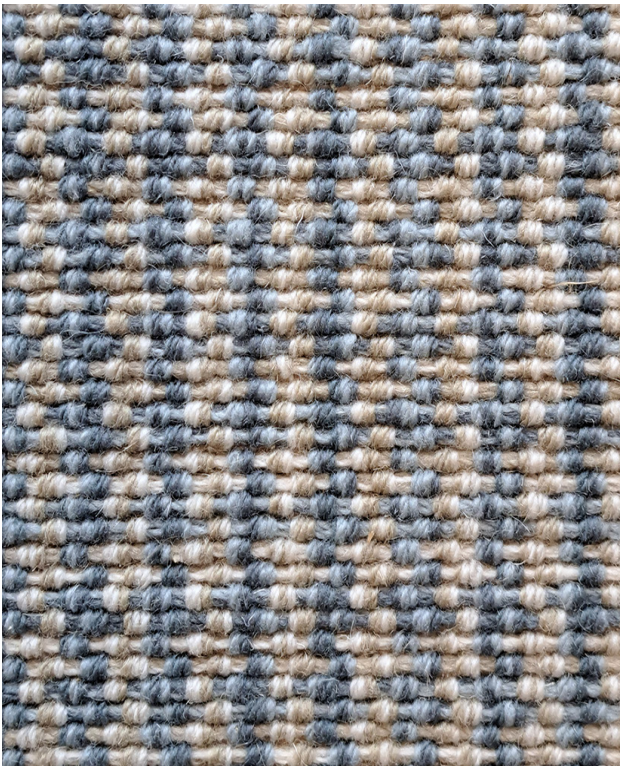

Wool Classics is a boutique family business owned and run by the Brinton family who have been weaving carpet continuously since 1783. Our heritage lies in the finest quality by selecting the purest raw materials honouring our legacy of supplying some of the finest interiors in the world. Today all aspects of the process use organic materials without the use of nasty chemicals ensuring a fully biodegradable product.

Origins

Woven in 4.80m width it is hugely practical for even the largest rooms bringing depth and texture to the room. Available in a choice of six country colours, this is the perfect escape from the busy city life to a more rural and relaxed state of mind. The depth of pattern in Gingham is far more sophisticated than many other carpets and each colour way features five core colours to bring it to life, which we found is often the base of many colour schemes our clients work with.
