Heritage

Wool Classics is a boutique family business owned and run by the Brinton family who have been weaving carpet continuously since 1783. Our heritage lies in the finest quality by selecting the purest raw materials honouring our legacy of supplying some of the finest interiors in the world. Today all aspects of the process use organic materials without the use of nasty chemicals ensuring a fully biodegradable product.

Origins

Monterey is the epitome of Wool Classics thinking and has been in the collection for over fifteen years. Monterey combines a row of cut pile viscose with a row of loop pile wool, giving a wonderful shiny textured effect and is the most popular and practical alternative to a silk carpet ever. Being a woven Wilton it is designed to last forever and keep its looks for as long as possible. Monterey ticks every box imaginable.
