Petit Point is a very simple one on one pindot loop pile where two colour alternate symetrically across the loom.

The blend of two colours brings life to your floor and allows a greater depth to your scheme. Petit Point is a tufted loop pile which comes in a 5.00m width so ideal for avoiding seams.

It is also hugely popular in the rental market where the dual colour help hide marks while the durable nature and quick turnaround make it an ideal choice.

Petit Point has a pile yarn made from 100% pure wool however it does have polypropylene in the backing so is not an green as our 100% organic products.
