Heritage

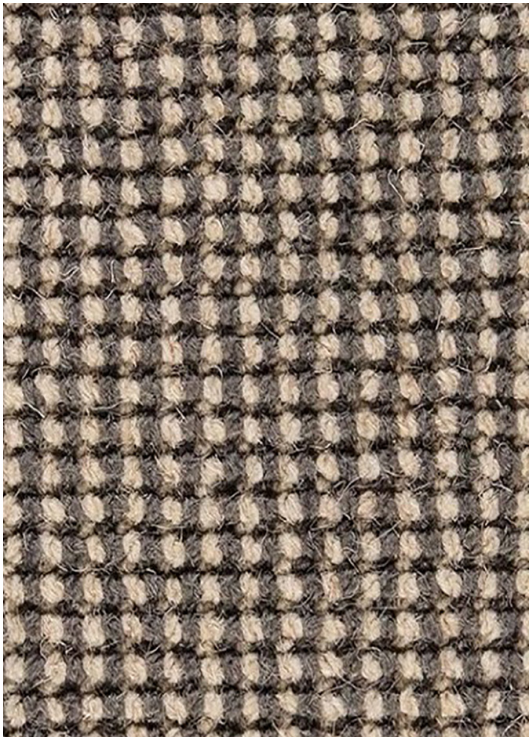

Wool Classics is a boutique family business owned and run by the Brinton family who have been weaving carpet continuously since 1783. Our heritage lies in the finest quality by selecting the purest raw materials honouring our legacy of supplying some of the finest interiors in the world. Today all aspects of the process use organic materials without the use of nasty chemicals ensuring a fully biodegradable product.

Origins

Rural Savannah was introduced as an entry level version of Savannah in 2016 to offer a lower budget for projects where it is needed. It is also due to be discontinued this year as it lacks the environmental credentials to fit under the Wool Classics brand. With seven colours to select from it offers an ideal budget solution in a wide width, so highly practical.
