Heritage

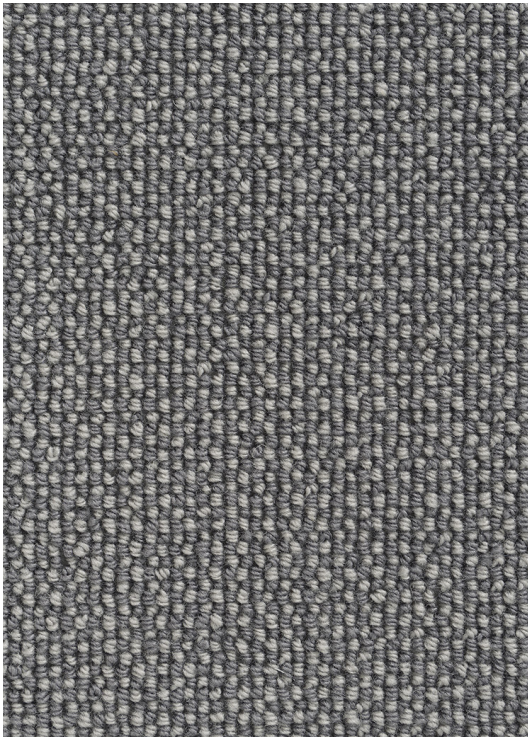

Wool Classics is a boutique family business owned and run by the Brinton family who have been weaving carpet continuously since 1783. Our heritage lies in the finest quality by selecting the purest raw materials honouring our legacy of supplying some of the finest interiors in the world. Today all aspects of the process use organic materials without the use of nasty chemicals ensuring a fully biodegradable product.

Origins

A very simple one on one pindot loop pile where two colours alternate symmetrically across the loom. The blend of two colours brings life to your floor and allows a greater depth to your scheme. Soho is a tufted loop pile which comes in a 5.00m width so ideal for avoiding seams. It is also hugely popular in the rental market where the dual colour help hide marks while the durable nature and quick turnaround make it an ideal choice.
