WOOL CLASSICS

LONDON

Heritage

Wool Classics is a boutique family business owned and run by the Brinton family who have been weaving carpet continuously since 1783. Our heritage lies in the finest quality by selecting the purest raw materials honouring our legacy of supplying some of the finest interiors in the world. Today all aspects of the process use organic materials without the use of nasty chemicals ensuring a fully biodegradable product.

Origins

Somerset is a beautiful tufted all loop pile wide width carpet made from 100% pure new wool. It features a linear pattern down the length of the carpet offering a sophisticated texture which brings life to any room. With a 5.00m width it is hugely practical, but for larger rooms it seams perfectly as the pattern absorbs the seam brilliantly. Somerset also represents amazing value for money with a high pile weight at a low cost.
