WOOL CLASSICS

LONDON

Heritage

Wool Classics is a boutique family business owned and run by the Brinton family who have been weaving carpet continuously since 1783. Our heritage lies in the finest quality by selecting the purest raw materials honouring our legacy of supplying some of the finest interiors in the world. Today all aspects of the process use organic materials without the use of nasty chemicals ensuring a fully biodegradable product.

Origins

Bring out your wild side with Tiger which is an amazing 4.00 m wide Wilton carpet made from 100% pure new wool on the top side and organic cotton and jute on the back. This is organic wild and straight from mother nature, but the good news is that it doesn't bite. Leopard is an all loop pile finish as we think that looks more stylish, the design works excellently as a stair runner which is often how it is used.
