Heritage

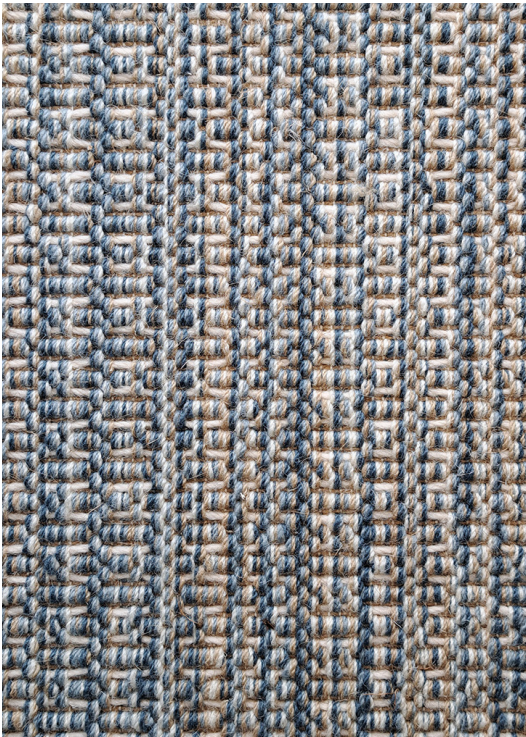

Wool Classics is a boutique family business owned and run by the Brinton family who have been weaving carpet continuously since 1783. Our heritage lies in the finest quality by selecting the purest raw materials honouring our legacy of supplying some of the finest interiors in the world. Today all aspects of the process use organic materials without the use of nasty chemicals ensuring a fully biodegradable product.

Origins

Pure new wool on the surface, cotton and jute in the backing. The colours are dyed using organic plant based dyes not heavy chemical dyes meaning the colours are softer and better for the environment. Our colours blend seamlessly into the most popular schemes in today's interiors and bring a subtle calmness to any room without the dullness of a plain carpet. Tweed is a loop pile finish with a heavy wear performance.
